Entrepreneurship: 2024-2025

prich@mvrop.org

prich@newarkunified.org

Overview

This course provides an introduction and overview of the fundamentals of entrepreneurship. Students will gain insight into who are entrepreneurs and understand the steps of developing a new business including creating a business plan, marketing, finance, and management development. Students will understand their role in the economy as well as how the global and regional economic ecosystem interacts and impacts small businesses and individuals. The curriculum is designed to help the student explore entrepreneurship as a career pathway and provide them with a realistic framework for starting a new business. Students will develop and present a comprehensive business plan in this year-long course.

Approved for University of California/Cal State Universities' A-G Requirement

Articulation Agreement: Mission College Credits (students can earn college articulated credit by passing this MVROP class with a B- or above for first AND second semester)

Students who have earned a C- or above earn a Certificate of Completion

Objectives

Upon the completion with appropriate study, students will learn the skill sets of:

- Market Economy
- Business Plan
- Market Needs
- Market Your Business
- Career Strategizing
- Distribution, Promotion, and Selling
- Operations Management
- Business Ownership
- Finance Planning
- Risk Management

Student Responsibilities

This is a rigorous course that covers a lot of material. It is imperative that all assignments and readings be completed prior to class. All assignments must be submitted on time. Late work will result in a 50% reduction in assignment points. See me if there are special circumstances preventing you from submitting work on time. Make-up exams may be completed only at the discretion of the instructor and the department. It is the responsibility of the student to obtain notes and assignments from colleagues for any classes that are missed. The instructor reserves the right to change topics, readings, cases, and assignments in order to further appropriate course

outcomes. If the student is absent, the teacher must be approached on the day of return to get work – no later.

Classroom Conduct & Attendance

The classroom is designed to facilitate the active and open exchange of ideas in a supportive, intellectually challenging and engaging environment. Once class begins, I ask that you focus on the class discussion, discontinue any sideline conversations and **turn off all electronic equipment**. Cheating or plagiarized work will receive a score of zero, and will not be allowed to be made up. All work of a similar type as the work in question will need to be redone in class. All district/MSROP policies will be used.

- Be on time and come prepared - materials needed include...
- Be respectful to your peers and instructor
- Collaborate - cooperation and teamwork is required to be successful in this class
- Restroom breaks are prohibited during the first and last 10 minutes of class
- Food and drink are not allowed at the computer desks.

You are subject to being marked off for significant points, confiscation of devices, receiving referrals, or disciplined further by district/MSROP for the following:

- Computer Violations (Checking Email, Web Browsing, Etc.)
- Phone Use (Social Media, Texting, Etc.)
- Disruptive Behavior (Tardiness, Absences, Headphones Use, Etc.)
- Academic Dishonesty (Plagiarism, Cheating, Etc.)

Grading

Grading will be by weighted percentage on a strict ten percent scale. The grading scale will be as follows:

97%-100%	A+
94-96%	A
90-93%	A-
87%-89%	B+
84%-86%	B
80%-83%	B

And so on. Below 59% is a failing grade.

Your final grade is valued at 100% and will distributed under the following categories:

Presentations and Participation	25%
Portfolio	25%
Critical Thinking and Reflection	20%
Project-Based Assignments	30%

Extra Help/Accommodations

Students are expected to participate in all online activities as posted on Google Classroom. If you find that you have any trouble keeping up with assignments or other aspects of this class, please let me know via email at prich@newarkunified.org as early as possible. Please be sure to be proactive in informing me about any difficulties as soon as you can so that we can try to find you a solution.

AI tools will be taught and used during the school year. We will be using various AI tools including Chat GPT and Microsoft Copilot.

Students who miss more than 15 days of school or the equivalent (**3 tardies equal one absence**) will fail the semester due to a lack of class hours. Those hours will need to be made up through the attendance office, signed off and delivered to me. **Please email me before 7:30 am the morning of your absence/tardy.**

Our school suggests parental permission for your student to view movies and video clips that are used in our curriculum, or that are selected by me. Some videos may be sensitive to some. This content, along with our hands-on activities such as labs, in-class discussions, and projects, give students a well-rounded opportunity to discover ethics.
